Re: Prosper Services

Dear Sir

It is hereby confirmed that Mr Bryn Weare from Prosper Services performs certain tasks for Ebmpapst South Africa.

He does assemblies for us on Double inlet Backward curved centrifugal fans whereby he does all the metal work in constructing base frames , belt guards , he also provides the drives and motors. He also performs site work for Ebmpapst where he is requisitioned to attend to repairing and at times replacing fans and impellers / changing of blade angles.etc

We at Ebmpapst are extremely happy with the service and efficiency that Prosper Services provide and would gladly recommend his services to anyone who may require it.

Kind Regards

Billy Jones
Sales Manager
For and on behalf of Ebmpapst South Africa
